STUDENTS AWARDED FOR PIONEERING SEAGRASS RESEARCH AND ENVIRONMENTAL ADVOCACY

Coinciding with the 134th birth anniversary of Dr. B. R. Ambedkar's, Chaitanya Sravanthi a city based NGO in association with Dr Lankapalli Bullayya College organized an event to mark the occassion and also felicitate four students of BSc Life Sciences. These students were commended for their remarkable and sustained efforts on a climate-based project about seagrass, which earned them accolades and a trip to the USA to present their findings.

The program began with dignitaries paying floral tributes to a portrait of Dr. B.R. Ambedkar. Dr. Sailaja and Dr. Madhavi, the mentors of the program, welcomed Dr. Shirin Rehman, the Honourable President of Chaitanya Sravanthi, who delivered an inspiring address on women's empowerment. She proudly shared that her organisation shelters over 7,000 women and expressed a keen interest in supporting student-led projects.

Dr. Rehman emphasised that the felicitation ceremony aimed to encourage and elevate such meaningful initiatives. Dr. G. Madhu Kumar, Secretary and Correspondent, praised the team's dedication to addressing the critical issue of climate change and commended their ongoing efforts in the seagrass restoration project. He encouraged young people to engage in projects that contribute to the welfare of society and the city.

STUDENT ACHIEVEMENT

Prof. V. Bala Mohan Das, former Vice-Chancellor of Acharya Nagarjuna University and President of the Gandhi Center, expressed his delight in connecting with young minds. He congratulated the team, highlighting how small initiatives like theirs can lead to significant change.

Prof. Rama Krishna Rao, former Vice-Chancellor of Krishna University, spoke about the vital role of youth-led initiatives in shaping the nation's future. He emphasised the deep implications of projects led by young individuals and the importance of nurturing these efforts.

Dr. GSK Chakravarthy, the Principal, recognised and appreciated the efforts of not only the winning team but also the mentors and all participating teams. The winning team—T. Harshitha, A. Tejaambik, M. Ashwini, and J. Karthikeya Narayan—were felicitated by Dr. Shirin Rehman. Each team member received a fruit basket, a traditional shawl, and a cash award in recognition of their contributions to climate change mitigation.

After the felicitation, each team member shared their heartfelt gratitude to Dr. Lankapalli Bullayya College, their mentors, the Principal, Secretary and Correspondent, and everyone who supported them. The parents of the young achievers also expressed their pride, with Ashwini's father sharing his joy over his daughter's and her teammates' achievements.

The event concluded with a vote of thanks by Dr. Sailaja and Dr. Madhavi, who expressed sincere appreciation to Dr. Shirin Rehman and all the dignitaries for their support and attendance at this significant celebration of student achievement.

This event was not just a celebration but also a reminder of how youth, when guided and supported, can lead transformative change for a better world.

We lay a strong conceptual foundation in every subject, equipping the students to excel in EAPCET, JEE Mains & NEET. We also provide special coaching for CA, CMA, CS Foundation.

SPORTS

BULLAYYA STUDENTS SHINE AT POWERLIFTING TOURNAMENT

Students from Dr. Lankapalli Bullayya College delivered an outstanding performance at the District-Level Powerlifting Championship 2025, organized by Vijayandra Vyayama Mandali in Visakhapatnam. Several students secured top positions across various weight categories, showcasing their strengths and skills.

CH. Lokesh, a first-year Intermediate student, won gold and bronze medals in the 93 kg category. From the Degree College, A. Mohan Venkat clinched gold in the 83 kg category, while A. Varaprasad earned silver in the 74 kg category.

Revanth Reddy secured silver in the 105 kg category, while second-year student P Bhargav dominated the above 120 kg category with a gold medal. In the Engineering College category, MD. Wasim, a final-year ECE student, secured gold in the 74 kg category and silver in the bench press. G. Raghava Anusha also excelled, winning gold in the 63 kg category.

BULLAYYA COLLEGE STUDENTS EXCEL IN SPORTS TOURNAMENT

Students of Dr. Lankapalli Bullayya College of Engineering won medals in State-level Taekwondo and bodybuilding competitions.

K Mounika, a final-year civil engineering student, clinched gold in the 67 kg category at the Khelo India Taekwondo City League Championship at NTR Stadium, Tenali, securing a place in the national championship in Uttarakhand.

Meanwhile, K. Balu, a final year EEE student, won silver in the 60-65 kg category at the 31st Mr Andhra Bodybuilding Championship in Parvathipuram, Manyam district.

College Secretary and Correspondent Dr. G. Madhu Kumar congratulated and encouraged the students to continue striving for excellence.

CELEBRATIONS

SUB. LT. T.N. CHAITANYA INTERACTS WITH U.S. NAVY AND MARINE SPECIAL FORCES

Sub. Lt. T.N. Chaitanya participated in an interaction with the U.S. Navy and Marine Special Forces during the prestigious Exercise Tiger Triumph at the American Corner on April 3, 2025.

This exclusive session included one-on-one discussions with U.S. Navy and Marine personnel, a panel discussion featuring U.S. and Indian diplomats, a Q&A session focused on military operations and disaster relief, photo sessions, and networking opportunities with elite forces. The event also provided inspiring insights and global exposure.

B.SC STUDENTS JOYFULLY CELEBRATED UGADI

B.Sc students and staff celebrated Ugadi with enthusiasm, showcasing the rich cultural heritage of Andhra Pradesh. Students in ethnic wear added a festive touch, and warm Ugadi wishes were conveyed to the Secretary & Correspondent, Principal and Vice Principal. A highlight of the event was the Panchanga Sravanam by renowned scholar P. Ramana Murthy Garu, who shared astrological insights for the new year. The celebrations also featured vibrant cultural programs, including traditional dances and music. The event concluded with a spirit of joy and unity, marking a prosperous beginning to the new year.

INDUSTRIAL VISIT

STUDENTS EXCEL AT STATE-LEVEL POWERLIFTING COMPETITIONS

Students from Dr. Lankapalli Bullayya Colleges showcased their talent at the state-level powerlifting championships held at NTR Indoor Stadium in Gudivada from the 11th to the 13th of April.

G.C.R. Anusha, a final-year Civil Engineering student, won two silver medals in the 76 kg category. P. Bhargav, a second-year B.Com student, secured two gold medals in the 120 kg category. I. Praveen Kumar, a first-year B.Sc. student, earned a silver medal in the 59 kg category, while B.V. Revanth Reddy, also a first-year B.Sc. student, claimed a bronze medal in the 105 kg category.

On this occasion, the college Secretary and Correspondent, Dr. G. Madhu Kumar, congratulated the students and expressed hopes for their continued success in future competitions. The event was also attended by Degree College Principal Dr. G.S.K. Chakravarty, Engineering College Principal Professor D. Deepak Chowdary, Physical Education Department Head Dr. Y. Srinivasa Rao, and Physical Directors Dr. B.R.S. Lakshmana Reddy and U. Gangabhavani, who all congratulated the students on their achievements.

ENGINEERING & PG STUDENTS VISIT INFOSYS

On 15th April, 2025, 37 engineering students and 13 MCA and M.Sc Computer students visited the Infosys Visakhapatnam branch. This was not just a visit; it was an opportunity to dive into the world of technology and innovation. The students had the chance to engage in insightful discussions with the HR team, exploring potential job prospects and gaining valuable advice for their future careers. The air was filled with curiosity and ambition as they envisioned their paths in the tech industry.

EARTH DAY

ENGINEERING STUDENTS PROMOTE RENEWABLE ENERGY ON EARTH DAY

Earth Day 2025 was celebrated with enthusiasm by first-year students at Dr. Lankapalli Bullayya College of Engineering took a stand to promote renewable energy, highlighting its vital role in crafting a healthier, more resilient future for our communities. This year's inspiring theme, "Our Power, Our Planet," invites individuals from every walk of life to come together and champion the cause of sustainable energy.

DR. G. SATYA PRAVEEN DELIVERS A GUEST LECTURE ON SHAKESPEARE

On April 23, 2025, Dr. G. Satya Praveen, Associate Professor, Department of English PG, delivered a guest lecture titled "Shakespeare's Life from a Management Perspective" at Gayatri Vidya Parishad. He connected Shakespeare's leadership qualities and strategic thinking to modern management concepts, emphasising interdisciplinary approaches and enriching students' learning experiences in business education.

ENGINEERING COLLEGE CELEBRATES ENGLISH LANGUAGE DAY

The Department of Basic Sciences and Humanities of Dr Lankapalli Bullayya College of Engineering celebrated English Language Day on 23 April 2025 in Block 8 Seminar Hall. A good number of first-year B.Tech students and teaching faculty have attended with a passionate love for understanding the significance of the English language.
