

TANKALA SIREESHA

Designation: Lecturer

email: tsireesha@lbc.edu.in

Mrs. Tankala Sireesha is a Lecturer at Dr. Lankapalli Bullayya College, Visakhapatnam where she has been working since 2006. Currently pursuing her Ph.D. at GITAM Institute of Sciences, she has a diverse academic background that includes an M.Sc. in Electronics from Andhra University and an M.A. in English from Sri Krishnadevaraya University. She also holds a B.Ed. from St. Paul College.

She teaches a variety of subjects, including Circuit Analysis, Digital Electronics, Electronic Instrumentation, and Wave Optics. In addition to her teaching role, Mrs. Sireesha has published a paper titled *The Development of Low-Cost General Purpose ATmega8535-Based Student Training Board*, showcasing her interest in practical applications of electronics. She is committed to her professional development, engaging in research and aiming to increase her publications.
