Mr. B. Santhosh Kumar is an experienced Tally Trainer currently working at Dr. Lankapalli Bullayya College, Visakhapatnam, where he has been employed since July 2017. With a career spanning over a decade in the field of accounting education, Santhosh has consistently focused on providing real-time, practical knowledge to his students, helping them become proficient in Tally operations and other essential accounting tools.

Prior to his current role, Santhosh worked as a Tally Faculty at the Institute for Accountants from June 2009 to June 2017, where he honed his skills in training students on various accounting software. His commitment to continuous learning is evident from his P.G. Diploma in Financial Accounting and Taxation from JNNYC, which he completed in 2011.

Santhosh is well-versed in multiple accounting software platforms, including Tally Prime, SAP (FICO), Busy Software, and MS Office. He holds an M.Com. degree from Andhra University (2011). His strong foundation in commerce, combined with his passion for teaching, has made him a respected trainer who is dedicated to equipping students with the skills they need for the real world of accounting.
