

Dr. K. SATTI REDDY
Designation: Assistant Professor
email: ksattireddy@lbc.edu.in

Dr. K. Satti Reddy is an Assistant Professor in Environmental Sciences at Dr. Lankapalli Bullayya College, where he has served since joining in 1990. With a strong academic foundation, he earned his M.Sc. in 1988 from Bhopal University, followed by an M.Phil. in 1989 and a Ph.D. from Andhra University in 1995.

Dr. Reddy has published five research papers and authored a book titled *Environmental Science*, tailored specifically for engineering students, underscoring his dedication to making complex environmental topics accessible to learners. His expertise in environmental studies has been recognised through his role as a Board of Studies (BOS) member at Maharaja College in Vijaynagaram, where he contributed to curriculum development from 2010 to 2015.

With 34 years of teaching experience, Dr. Reddy has been instrumental in shaping the Environmental Sciences programme at Dr. Lankapalli Bullayya College. His commitment to education and research enriches the learning environment, benefiting students and colleagues alike.
