

G. KANAKA LAKSHMI

Designation: Lecturer

email: gklakshmi@lbc.edu.in

Mrs. G. Kanaka Lakshmi is a Lecturer at Dr. Lankapalli Bullayya Degree College, Visakhapatnam, since August 2010, where she is actively involved in delivering undergraduate mathematical courses, supervising student projects, and contributing to curriculum development. She is currently pursuing a Ph.D. in Mathematics from GITAM University, Visakhapatnam, and holds an M.Tech. in Computer Science and an M.Sc. in Mathematics from Andhra University.

Before joining Dr. Lankapalli Bullayya College, she worked as a Lecturer in Mathematics at AQJ Degree College, Visakhapatnam, from 2009 to 2010. Over the years, she has participated in several workshops and faculty development programmes, keeping herself updated with the latest trends in Mathematics education. Her research interests are reflected in her participation in conferences, where she presented on topics such as the flow of MHD Maxwell nanofluids.

She has engaged in national-level workshops and seminars, contributing to her field and broadening her expertise in areas like linear algebra and mathematical analysis.
