---

**Mrs. S. Rama Devi** is a Lecturer in the Department of Computer Science and Data Science at Dr. Lankapalli Bullayya College, Visakhapatnam, with over 15 years of teaching experience. She holds an M.Sc. in Statistics from Andhra University (2005) and is currently pursuing a Ph.D. from GITAM Deemed to be University. Before joining Dr. Lankapalli Bullayya College in 2008, she taught at Mist Degree College.

Her teaching portfolio includes courses such as Descriptive Statistics, Statistical Methods, Statistical Inferences, Applied Statistics, Operations Research II, and Data Mining. She has published two research papers in reputable journals, including a comparative study on LaGrange Multiplier methods and integer programming approaches, and has presented at national conferences, notably at Utkal University.

S. Rama Devi has actively participated in various workshops, seminars, and faculty development programmes, enhancing her expertise in areas such as mathematical modelling, big data, and statistical software like SPSS and SAS. She has also contributed to the academic community as a Board of Studies Member for Andhra University and Maharaja's College. Her commitment to research and teaching is reflected in her contributions to academic discussions and her participation in professional development initiatives.
