

K. BHAVANI
Designation: Lecturer
email: kbhavani@lbc.edu.in

Mrs. K. Bhavani is a Lecturer at Dr. Lankapalli Bullayya College, Visakhapatnam. She holds a Master's degree in Statistics from Andhra University and is pursuing her Ph.D. at GITAM University. Her academic focus includes reliability modelling and optimisation in parallel-series configurations, and she has contributed to international journal.

Her research work has been presented at conferences, such as the International Conference on Statistical Modelling and its Applications, highlighting her dedication to advancing her field. She has also participated in workshops and webinars on recent trends in big data and circular statistics, expanding her expertise in the application of statistical software like SPSS® and SAS®.

Mrs. Bhavani's commitment to education is reflected in her consistent involvement in both teaching and research, making her a valuable member of the academic community.
