

Dr. G. GANGA RAJU
Designation: Mentor, Adjunct Faculty
email: ggr@lbc.edu.in

Dr. G. Ganga Raju serves as a Mentor and Adjunct Faculty member in the Department of Chemistry at Dr. Lankapalli Bullayya College, Visakhapatnam, with a career spanning over 35 years. His educational background includes a Ph.D. from Andhra University, awarded in 2017 for his research on the kinetic and mechanistic aspects of base hydrolysis of iron (II)-triazine complexes in aqueous and micellar mediums. His academic journey began with an M.Sc. in Nuclear Chemistry from Andhra University, followed by an M.Phil. from Aligarh Muslim University in 1981, where he conducted a systematic analysis of common cations. He is the recipient of the prestigious State Award for Meritorious Teachers 2014 from the Department of Intermediate Education, Government of Andhra Pradesh, honoured for his distinguished service in the field of education.

Dr. Raju's commitment to Chemistry is evident through his teaching and mentorship, fostering a solid foundation for students in the field. His research interests have led to the publication of two papers, contributing valuable insights into complex chemical processes. Over his decades of service, he has played a pivotal role in guiding the academic development of students at Dr. Lankapalli Bullayya College, helping shape the next generation of chemists.
