---

**Mrs. Chipurupalli Devi** is an Assistant Professor in the Department of Chemistry (UG) at Dr. Lankapalli Bullayya College, Visakhapatnam. She holds an M.Sc. in Organic Chemistry from Dr. V.S. Krishna Government Degree College, Andhra University, completed in 2014. She is pursuing her Ph.D. from JNTU, Vizianagaram.

In addition to her academic qualifications, she completed a B.Ed. from Sai College of Education, Rajahmundry. Devi is also technically proficient, having completed a Diploma in Computer Applications (D.C.A) with "A" grade from CSI Computer Education, Hyderabad.

Her professional journey began as a lecturer at BVK PG College from 2016 to 2018, and she has been working as an Assistant Professor at Dr. Lankapalli Bullayya College since July 2019. Devi has qualified APSET in Chemical Sciences (2016) and holds NPTEL certifications in both Basic Inorganic Chemistry (2021) and Organometallic Chemistry (2023).

She has actively participated in national and international seminars, contributing to discussions on chemistry's role in industry, further enhancing her academic and professional development.
