---

**Mrs. Boddapu Padmavathi** is currently serving as a Mathematics Lecturer at Dr. Lankapalli Bullayya Degree College, a position she has held since 2018. She is also pursuing her Ph.D. from GITAM University. Padmavathi holds an M.Sc. in Mathematics from Andhra University, completed in 2001, and a B.Ed. from Dr. P.V.G. Rajasaheb School of Education affiliated to Andhra University, completed in 2004.

Her teaching career spans various institutions, including roles at Government Junior College in Bhimili, National Junior College in Pendurti, and Government Degree College for Women. She also served as a lecturer at St. Joseph Degree & PG College.

Padmavathi has actively participated in academic conferences. Notably, she presented at the 2-Day International Conference on Pure, Applied & Engineering Mathematical Sciences (ICPAEMS) in 2024, discussing "Generalized extended Z-contractions in new extended B-metric spaces fixed points and applications to system of linear equations." Her focus on continuous professional development reflects her determination to contribute significantly to the academic community.
