

MADAKA JAGADISH

Designation: Lecturer

email: mjagadish@lbc.edu.in

Mr. Madaka Jagadish is a skilled educator currently working as an Analytical Skill Developer at Dr. Lankapalli Bullayya College, Visakhapatnam, since June 2018. He holds a Master of Science Degree in Mathematics and has extensive experience in teaching Arithmetic and Aptitude for competitive exams such as Banking and SSC.

Prior to his current role, Jagadish worked as an Aptitude Trainer at Harshitha Institute from 2015 to April 2018, where he specialised in teaching Arithmetic for bank clerk and P.O exams. He also served as a Mathematics Faculty at Mahita College from 2012 to 2015.

Jagadish's approach to teaching is both innovative and collaborative, as he excels in clarifying complex concepts and solving doubts related to quantitative aptitude. He actively participates in extracurricular activities and has demonstrated the ability to work effectively both individually and within a team.
