B. V. P. LATHA
Designation: Assistant Professor
email: bvplatha@lbc.edu.in

Mrs. B. V. P. Latha is an Assistant Professor in the Department of Computer Science at Dr. Lankapalli Bullayya College, Visakhapatnam, where she has been teaching since August 2007. She is currently pursuing her Ph.D. at GITAM University and holds an M.Tech. in Computer Science and Engineering from Acharya Nagarjuna University, as well as an M.Sc. in Computer Science from Andhra University.

Throughout her teaching career, Latha has imparted knowledge in a variety of computer science subjects, including Theory of Computation, Computer Networks, 'C' Programming, Object-Oriented Programming using Java, Data Structures, and Operating Systems. Her contributions to research include two published papers on the Internet of Things and Big Data, both of which highlight her expertise in contemporary technologies.

Latha is actively involved in professional development, having participated in several workshops, seminars, and faculty development programmes (FDPs) focusing on topics like Python programming, cloud computing, and agile processes. She has also completed multiple NPTEL FDPs, including Blockchain Technology and Research Methodology.

In addition to her academic responsibilities, Latha serves as a Time Table Coordinator and Add-On Coordinator. She has guided numerous student projects, supervising both undergraduate and postgraduate students.
