

T. MOHANA KUMARI

Designation: Assistant Professor

email: tmohana@lbc.edu.in

Mrs. T. Mohana Kumari Mrs. T. Mohana Kumari is an Assistant Professor in the Department of Computer Science at Dr. Lankapalli Bullayya College, Visakhapatnam, where she has been teaching since 2008. She holds an MCA and an M.Tech in Computer Science from Acharya Nagarjuna University and is currently pursuing her Ph.D. at GITAM University. Prior to joining the college, she gained experience as a lecturer at Al Ameer Engineering College and worked as a Software Associate at Phyxis Technology. She also qualified for APSET.

Mrs. Mohana Kumari teaches a variety of subjects, including Operating Systems, Object-Oriented Programming, and Database Management Systems. Her research spans both healthcare and technology, with publications on haemophilia treatment and network protocols. Actively engaged in professional development, she has completed five NPTEL FDPs: Blockchain Technology and Applications (August 2020), Introduction to Research (October 2022), Foundation of Cloud IoT and Edge ML (April 2023), Introduction to Machine Learning (September 2023), and Research and Publication Ethics (October 2023).

In addition to her academic work, she has guided numerous undergraduate and postgraduate student projects and is a lifetime member of the International Association of Engineers (IAENG), highlighting her commitment to both education and research.
