VASIREDDY SATISH
Designation: Assistant Professor
email: vsatish@lbc.edu.in

Mr. Vasireddy Satish is an Assistant Professor in the Department of Computer Science at Dr. Lankapalli Bullayya College, Visakhapatnam. He has been serving in this role since December 2012. In addition to his teaching responsibilities, he manages key administrative tasks such as maintaining the college website, coordinating internal exams, and overseeing student affairs for the MCA and MSc programs.

He is pursuing a Ph.D. in Computer Science from Sathyabama University. He holds an MCA from St. Mary's PG College, Osmania University, and a B.Sc. in Computer Science from Dr. Lankapalli Bullayya College. He has prior experience working as a Programmer at Vignan's Institute of Engineering for Women.

His research interests lie in areas such as the Internet of Things (IoT), security in online transactions, and machine learning. He has published papers in reputed journals and presented his research at international conferences. Satish is also an active participant in numerous faculty development programs (FDPs), focusing on advanced technologies such as IoT, cyber security, AI, and Python programming.

He is a member of the International Association of Engineers (IAENG) and has completed several certification courses, including Introduction to Machine Learning and Programming using Python.
