---

**Mr. D. Bhujanga Rao** is an experienced educator with over 13 years of teaching expertise in Computer Science. Currently serving as an Assistant Professor in the Department of Computer Science at Dr. Lankapalli Bullayya College since 2016, he is also pursuing a Ph.D. in Computer Science and Engineering from GITAM University. He holds an M.Tech. in Computer Science & Engineering from ANU and an M.Sc. in Computer Science from Andhra University.

Mr. Rao is committed to fostering an engaging learning environment, known for his ability to simplify complex concepts and inspire students. His passion for education is reflected in the consistently positive feedback he has received from both students and administrators.

He is a member of the Institution of Engineers (India) and the Indian Society for Training & Development (ISTD), and has completed multiple Faculty Development Programmes (FDPs) through platforms such as NPTEL and IIT, including courses on Data Science, Machine Learning, and Cloud Infrastructure. His technical skills encompass a wide range of programming languages and systems, including Java, Python, and UNIX, among others.
