SEERA SANDYA SNEHA SRI
Designation: Assistant Professor
email: sandya@lbc.edu.in

Mrs. Seera Sandya Sneha Sri is an Assistant Professor in the Department of Computer Science at Dr. Lankapalli Bullayya College, Visakhapatnam. She holds a Master of Engineering in Computer Science and Engineering with 84% and has extensive teaching experience in engineering subjects across various institutions. She cleared the APSET exam in 2021 and is currently pursuing her Ph.D. at Krishna University (KRU), Machilipatnam, Andhra Pradesh.

Her research interests include operating systems, web technologies, machine learning, and Java programming. Sandya has published several research papers in both national and international journals and conferences, including IEEE and Springer. Some of her notable publications explore topics like ethical considerations in explainable AI, artificial emotional intelligence, and the impact of e-banking service quality on customer satisfaction.

In addition to her academic contributions, Sandya has demonstrated excellence throughout her academic career, having secured the top rank in her MCA class, cleared APSET, and achieved 13th rank in APRCET. She also stood as a topper in her pre-Ph.D. exams. With her strong academic background and research expertise, she continues to contribute to the field of computer science both as a teacher and a researcher.
