

RAMAKRISHNA BALIREDDY

Designation: Lecturer

email: bramakrishna@lbc.edu.in

Mr. Ramakrishna Balireddy is a lecturer in the Department of Mathematics at Dr. Lankapalli Bullayya PG College, Visakhapatnam, where he has been teaching since 2006. He holds an M.Phil. in Mathematics and two M.Sc. degrees in Pure and Applied Mathematics. Currently, he is pursuing a part-time Ph.D. at JNTU, focusing on Multi-Point Fractional-Order Boundary Value Problems under the guidance of Dr. Boddu Muralee Bala Krushna.

In addition to his academic role, he has held several key responsibilities, including serving as the Head of the Department of Mathematics from 2014 to 2018 and Assistant Coordinator of the IGNOU study centre from 2016 to 2019. He has contributed to ICT-based teaching and content development, with a YouTube channel for mathematics learners ranging over 800 subscribers.

He has actively participated in various workshops, webinars, and faculty development programmes, enhancing his knowledge of research methodologies and teaching pedagogy. His teaching expertise includes subjects such as Algebra, Complex Analysis, and Discrete Mathematics for postgraduate students, as well as Real Analysis and Differential Equations for undergraduate students.
