

Dr. SRI LAKSHMI BALAKRISHNAN

Designation: Assistant Professor

email: bsrilakshmi@lbc.edu.in

Dr. Sri Lakshmi Balakrishnan is an Assistant Professor in the Department of Microbiology at Dr. Lankapalli Bullayya PG College, Visakhapatnam. She earned her Ph.D. in Environmental Sciences (Applied Microbiology) from Andhra University in 2023, with a focus on bioremediation and microbial studies. Dr. Balakrishnan also holds an M.Sc. in Microbiology from Visakha Government Degree College for Women and a Post Graduation Diploma in Environmental Sciences from Andhra University.

With a career that includes serving as a DST Women Scientist from 2015 to 2018, she has contributed significantly to research in the fields of environmental microbiology and toxic pollutant bioremediation. She has also worked as a guest lecturer at Visakha Government Degree and PG College for Women.

Dr. Balakrishnan's research interests are reflected in her numerous publications, which focus on topics such as the microbiological examination of marine fishes, soil bacteria populations, and the biodegradation of agricultural pollutants. She has actively participated in and presented at several national and international seminars and workshops, contributing to her strong academic and research profile in the field of microbiology.
