

M. SUNITA

Designation: Assistant Professor

email: msunita@lbc.edu.in

Mrs. M. Sunita is an experienced academic with over 18 years of postgraduate teaching experience in Biochemistry and Microbiology. She has been an Assistant Professor in the Department of Biochemistry at Dr. Lankapalli Bullayya PG College, Visakhapatnam, since 2008. Prior to this, she taught at Sir C. R. Reddy Women's College, Eluru from 2006 to 2008. She has been recognised for her dedication to teaching with the Best Faculty Awards in 2009-10 and 2011-12 at Dr. Lankapalli Bullayya College. Additionally, she qualified the Andhra Pradesh State Eligibility Test (APSET), further demonstrating her academic proficiency.

Sunita holds two postgraduate degrees: an M.Sc. in Biochemistry from Andhra University, where she graduated with distinction, and an M.Sc. in Chemistry from Acharya Nagarjuna University.

Her hands-on practical experience includes a wide range of biochemical and molecular biology techniques, such as blotting techniques, chromatographic methods, PCR, gene expression analysis, and DNA isolation. She has conducted research on the clinical biochemistry of diabetes mellitus, completing a project at Visakha Steel General Hospital in 2005.

Sunita has participated in several seminars and refresher courses, reflecting her commitment to staying current in her field. She continues to foster academic excellence and practical expertise in her students.
