

G. LAVANYA
Designation: Assistant Professor
email: glavanya@lbc.edu.in

Ms. G. Lavanya is an Assistant Professor in the Department of Biotechnology at Dr. Lankapalli Bullayya College, Visakhapatnam. With an M.Sc. in Biotechnology and ongoing Ph.D. research at Dr. B. R. Ambedkar University, Etcherla, she has established a solid foundation in both teaching and research. Qualified for the APSET in 2017, Ms. Lavanya has over 5 years of teaching experience, specializing in postgraduate education. Her dynamic teaching approach fosters critical thinking and makes complex biotechnology subjects engaging for her students.

Her research spans cell biology, molecular biology, plant tissue culture, aquaculture, and environmental biotechnology. She has published a review paper in the *International Journal of Research and Analytical Reviews*, contributing to the advancement of biotechnology knowledge.

Ms. Lavanya actively participates in professional development through workshops, seminars, webinars, and conferences. She attended the Andhra Bio Summit, reflecting her ongoing commitment to staying current in her field. With a passion for research and education, Ms. Lavanya is committed to guiding and inspiring the next generation of biotechnologists.
