---

**Dr. Baddim Sudheer Kumar** is an academic with nearly 19 years of teaching experience in Organic Chemistry. Currently serving as an Associate Professor at Dr. Lankapalli Bullayya PG College, Visakhapatnam, he is involved in educating and mentoring students. He holds a Ph.D. in Organic Chemistry from Andhra University College of Engineering (2022) and has an M.Sc. in Organic Chemistry from Andhra University (2004). His teaching journey includes earlier roles at VKML Degree College and Pydah College.

In addition to his teaching expertise, he has qualified for highly competitive national exams such as CSIR-NET (2010) and GATE (2012), underlining his deep knowledge of the subject. He also completed a prestigious two-month summer research fellowship with the Indian Academy of Sciences (IAS) in 2013, further honing his research skills.

Beyond his academic and research work, he has contributed to student success in various capacities, including his role as a Coordinator at IGNOU, where he managed academic programmes. Known for his dedication to curriculum development, mentoring, and engaging teaching methods, he continues to impact his students and the broader academic community by fostering a strong foundation in Organic Chemistry and promoting intellectual growth.
