---

**Dr. Devarapalli Mallika** is an Associate Professor in Organic Chemistry at Dr. Lankapalli Bullayya PG College, Visakhapatnam, where she has been teaching since 2012. She holds a Ph.D. in Organic Chemistry from Andhra University, completed in 2013 under the guidance of Prof. Y. L. N. Murthy. Prior to her Ph.D., she earned an M.Phil. in Organic Chemistry from Andhra University and an M.Sc. in Organic Chemistry from Acharya Nagarjuna University.

With over two decades of teaching experience, she began her career as a Lecturer in Chemistry at Magunta Subbaramireddy Degree College, followed by a long tenure at Dr. Lankapalli Bullayya Degree College. Her research interests include the antimicrobial properties of natural compounds and bioactive secondary metabolites. She has published her work in reputable journals.

In addition to her teaching and research, she has presented papers at national seminars, including work on marine bioactive compounds. She qualified in the APSET examination in 2018 and CSIR-NET with 41<sup>st</sup> rank in 2024, further validating her expertise in organic chemistry. Her commitment to both education and research continues to contribute significantly to her field.
