

K. V. S. SARANYA
Designation: Assistant Professor
email: ksaranya@lbc.edu.in

Mrs. K. V. S. Saranya is an Assistant Professor in Analytical Chemistry with experience in teaching and research. She holds an M.Sc. in Analytical Chemistry from Dr. Lankapalli Bullayya College, affiliated to Andhra University. Saranya has been teaching at Dr. Lankapalli Bullayya College since July 2014 and is APSET qualified. She is pursuing her Ph.D. from JNTU, Vizianagaram.

Her areas of expertise include Instrumental Methods of Analysis, Quality Control, and Traditional Methods of Analysis. She has actively participated in several national webinars and e-training programs on modern analytical techniques, spectroscopic methods, and environmental geochemistry. In addition to her teaching responsibilities, she completed a project in Quality Control at Sri Vijaya Visakha Milk Producers Company.

She is dedicated to her professional development, as reflected in her completion of the NPTEL AICTE Faculty Development Programme in Bioinorganic Chemistry with a consolidated score of 88%. Her passion for learning and teaching makes her a valuable asset in the academic community.
