

V. PHANI KUMARI
Designation: Assistant Professor
email: ykumari@lbc.edu.in

Mrs. V. Phani Kumari is an experienced teacher with a specialisation in Inorganic Chemistry, holding an M.Sc. from Pandit Ravi Shankar Shukla University, Raipur, along with a B.Ed. She is APSET qualified and has accumulated over 18 years of teaching experience. She has spent 3 years teaching at Dr. Lankapalli Bullayya Degree College, followed by 15 years at Dr. Lankapalli Bullayya PG College, where she continues to impart her knowledge in Inorganic Chemistry to postgraduate students. Her expertise in Coordination Chemistry, coupled with her dedication to education, has made her a valued faculty member at the institution.

She effectively engages with students from diverse backgrounds, fostering an inclusive and stimulating learning environment. Her longstanding commitment to teaching and her deep understanding of the subject have significantly contributed to her students' academic growth and success.
