

NAKKANA SIREESHA

Designation: Lecturer

email: nsireesha@lbc.edu.in

Mrs. Nakkana Sireesha is a lecturer in the Department of Chemistry. She is currently pursuing her Ph.D. in Analytical Chemistry at Mangalayatan University, Aligarh. She holds an M.Sc. in Analytical Chemistry from TSR & TBK PG College, affiliated to Andhra University. With over seven years of teaching experience, Mrs. Sireesha has taught at both TSR & TBK PG College and Dr. Lankapalli Bullayya PG College.

Since 2017, she has been a lecturer in Analytical Chemistry, focusing on key subjects such as Separation Methods, Quality Control, and Traditional Methods of Analysis. Her dedication to education and her ability to work effectively in a team have earned her recognition among colleagues and students alike. She is known for fostering a positive learning environment, helping students develop their understanding of complex topics in chemistry. Her commitment to teaching is evident in her approach, consistently aiming to support and inspire students in their academic pursuits.
