A lesson in recycling plastic

PNS ■ VIJAYAWADA

In view of Global Recycling Day on March 18, the Indira Gandhi Zoological Park, Visakhapatnam, organised an innovative event named 'Best out of Waste' at Bioscope on Sunday. "The objective of the programme was to make useful items out of plastic water bottles," said Dr. Nandani Salaria, Curator, IGZP.

She said that about 250 NSS volunteers from Bullayya College participated in the event. In view of the upcoming summer season, nests have been made to accommodate

the birds and also made bird feeders.

"Plastic pollution is one of the major problems our society is facing today and we have to come up with innovative ways to solve this problem. At the same time, everyone should reduce the use of single-use plastic items in their daily lives. Damaged and unwanted plastic items should be recycled as this small act would help to reduce the consumption of plastic materials," she added.

Assistant Curator Uma Maheswari, zoo education team and zoo volunteers also participated in the event.

On March 20th, 2022 the NSS volunteers of Dr Lankapalli Bullayya College voluntarily visited the zoo. This visit to zoo helped the students to learn much about animals effectively and promoted empathy and compassion towards the wildlife. Observing animals and knowing about them created interest in conservation and realisation that animals too have emotions. This event helped the students to gain the knowledge regarding animal's habitat and life history.

On March 26th,2022 an awareness programme on drug abusive was held at Dr.Lankapalli Bullayya College. They interacted with our NSS volunteers and guided us.

On 1st May, 2022 on account of 125th anniversary of Ramakrishna Mission, an event was conducted at Kala Bharathi Stadium. The NSS volunteers of Dr.Lankapalli Bullayya College actively participated in the event, participation certificates are also distributed.
