New Resapuvanipalem, Visakhapatnam -013.

## WOMEN EMPOWERMENT CELL

2022-23 -

### INTRODUCTION:

Dr. Lankapalli Bullayya College has established a Women Empowerment Cell in the college campus to empower girl students, to sensitize all issues related to women (students and faculty) and to make the college campus a safe place for women students and faculty members.

### OBJECTIVES:

With a view to taking up women's issues and problems, the cell aims at creating awareness of their rights and duties. It also provides a platform for women to share their experiences and views regarding their status in the society and to suggest ways to improve and empower themselves.

### ROLES AND RESPONSIBILITIES:

- Women Cell sub-unit in each department will be formed.
- All the girl students will be made aware about the aims and objectives of the Women Empowerment Cell.
- A mail ID to be generated regarding eve teasing, problem arising in campus and hostels.
- The periodical meetings of the cell will be organized to conduct various programs for the benefit of the women folk of the college.
- To conduct seminars, workshops and training programmes to impart knowledge of opportunities available to women, to identify strong leaders, change makers for building their capacity and to promote a culture of respect and equality for female gender.
- The provision of opportunities and programs for female gender to be financially, mentally and emotionally empowered so as to promote their growth as individuals in their own right.
- To make them aware of the guidelines of Supreme Court and to ensure that sexual harassment is treated as an unacceptable social behavior within the institution and the society.
- A self supporting development program in coordination with NSS for the benefit of the women who are residing in the villages around our college.
- To help the self help group women to get financial support by identifying the sources.
- To inculcate entrepreneurial attitude among young girls, scientists at the earliest so that they can be "job givers" rather than "job takers".

### ACTION PLAN:

Aiming at intellectual and social upliftment of the female students, the cell stands for facilitating women's empowerment through guest lectures, seminars, awareness programmes and other welfare activities.

**-Activities planned for the year 2022- 23**

- Counselling Session for girl students on self confidence
- Women's Day celebrations
- A session on entrepreneurship
- Imparting knowledge on kitchen garden
- Workshop on awareness about mental, sexual harassment and grooming of the same.
- Training on Martial Arts for self defense
- Awareness programme on Health and Hygiene by Medical Officers
- A Session by women achievers of different fields to motivate the girl students
- Any other activities as suggested.

Feedback of students.

1. Very good & informative from girl student

Dr. P. Kiran Kumar  
Department of  
to

Dr. B. Madhavi, Lecturer, Dept. of Environmental Studies, invited Mrs. K. Swarna Kumari, CEO of Mahila Action.

She explained nicely about rights of women and various problem facing by women and girl students in the society. Enlightened the students with her motivational speech.

She also stress on internal complaint cell, its importance in any organization.

Finally she interacted with students, clarified students doubts.

Dr. P. Kiran Kumari, HOD, Department of Environmental Studies, proposed vote of thanks.

Activity on millets

October-31<sup>st</sup>  
2022

Present in the public there  
a conscious developed towards  
the health and food.

Millets are rich with  
nutrients and fibre, which are  
very good for our health.

Considering the above  
activity has conducted an "organic  
millet-ladu" preparation. Interested  
girls students ask to participate.

Dr. B. Madhavi has explained  
how to prepare "organic millet-ladu"  
in that- she explained the  
importance of each ingredient- and  
ratio of ingredients and how  
the recipe beneficial for health.

Even the students were  
encourage to keep stalks in  
our college on some events.

The students actively participated  
they expressed their interest- also.  
Even some girls students has  
taken orders from staff.

Feedback of students

The program was very informative. Thank you

The Program was very Attractive we enjoyed a lot. Thank you  
and we got good knowledge on the gender bias  
and the staff was very friendly with us they  
gave good information for all us. Thank you.

② Programme organised by women empower cell gave  
lot of awareness for us how people abuse and treat  
women. ~~women~~ Thanks for the organisers for bring up such  
programme.

## Activity on

### Kitchen Garden. 07-11-2022

Dr. P. Kiran Kumari, HOD, Department of Environmental Studies, conducted an activity showing students about how to prepare soil for kitchen garden.

In this activity Kiran-Kumari mam made 5 lab pots with different composition of soil like by using ash of leaves, manure, dried leaves, kitchen waste pellets..

In All the pots chilli seeds were sown and observed the growth in different pots. Observations were noted.

She also explained the importance of kitchen garden for girl students.

She also explained how to produce in bulk at-home level, some techniques and easy methods.
