Computer Science & Management Studies
(CMS)

Nature and Extent of involvement of faculty and students in academic affairs/ improvements

o Continuous counseling of students for improving their performance
o Interaction with students by Staff, HODs, Principal and Director to identify deficiencies in teaching & learning processes and remedial corrective action to be implemented.
o When observed a small number of students performance is not upto the mark, then faculty members take extra classes in that subject to uplift the slow learners to the standard of the remaining.
o When it is observed that a student is weak in a particular subject then that faculty member arranges a meeting with parents to find the reasons and accordingly
o Advise them for improvement.

Mechanism/Norms & Procedure for democratic/good Governance

The Institute is governed by a Governing Body (GB). The Society for Collegiate Education shall nominate the Chairman of the GB and five members including the Principal of the Institute to the Governing Body. In addition, the AICTE, AU and Government of Andhra Pradesh will nominate their representatives. The Governing Body will make all policy decisions regarding the courses to be offered, recruitment of staff, service conditions of staff, conduct of staff and students, academic activities and other non-academic activities.

Student Feedback on Institutional Governance/faculty performance

Student Feedback is taken twice in a year regularly on faculty performance and once in a semester on Institutional Governance. Also Feedback on Institutional Governance is taken through class counselors at regular intervals.

Grievance redressal mechanism for faculty, staff and students

Suggestion Boxes and Grievances cell are provided for the students. A Grievance committee is formed which redresses from time to time.
