1. PURPOSE

The purpose of this MOU is to collaboratively offer an **Integrated B.A. Programme with Civil Services Foundation Coaching** beginning with the Academic Year 2025–2026 (the "Programme"). The collaboration seeks to enhance student preparedness for competitive examinations, particularly the Civil Services, while students pursue their Bachelor of Arts (B.A.) degree at the College.

Important Clarification: The College has independently offered its B.A. programme for many years and will continue to conduct, assess, for the award of degree in accordance with applicable university regulations and statutory norms irrespective of this MOU. Nothing in this MOU alters the College's academic curriculum, faculty governance, examination processes, accreditation status, or obligations to regulatory bodies. The Academy's involvement is supplemental and limited to coaching services chosen by participating students.

2. SCOPE OF COLLABORATION

Under this collaboration:

- The **Academy** shall design and deliver **Civil Services Foundation Coaching** (the "Coaching Services") that is optional but strongly encouraged for Programme enrollees who seek enhanced preparation for competitive examinations.
- The **College** shall deliver the **regular B.A. academic curriculum** as per the approved university syllabus and applicable regulations.
- The Parties will coordinate schedules to minimize overlap and academic burden on students.
- Academic credit applicable to the B.A. degree will be governed solely by the College/university rules; Coaching Services do **not** form part of the B.A. credit requirement.

3. PROGRAMME DETAILS

Degree: B.A. Degree (program run by College and degree awarded by the university)

Supplement: Civil Services Foundation Coaching (delivered by Academy)

Duration: As agreed between students and academy but aligned with standard B.A. cycle

Initial Cohort Commencement: Academic Year 2025–2026

Campus Delivery Location : College campus

4. FEE STRUCTURE

1. **Collection Authority.** For administrative convenience, the Academy is authorized to collect from each enrolled Programme student (a) the **Coaching Fee** payable to the Academy and (b) the **Tuition Fee component for the B.A. Programme** payable to the College.
2. **Segregation of Funds.** Amounts collected on behalf of the College remain the **property of the College** at all times. Collection by the Academy does not create any right, lien, or offset in favour of the Academy over College tuition funds.
3. **Remittance to College.** The Academy shall remit the tuition fee component to the College **in full** by a mutually agreed date accompanied by a transparent student-wise statement of collections.
4. **Exam & University Fees.** The College may continue to collect university-mandated examination, registration, or administrative fees **directly** from students as required by regulations.

5. ROLES AND RESPONSIBILITIES

5.1 Academy (First Party)

The Academy shall:

- Provide comprehensive, high-quality Civil Services Foundation Coaching aligned with current UPSC/competitive exam standards.
- Maintain transparent operations and share periodic performance reports with the College.
- Establish, publicize, and operate a **grievance redressal mechanism** for Coaching-related complaints; resolve student complaints in a time-bound manner.
- Accept that any dissatisfaction expressed by students regarding the quality, delivery, or conduct of Coaching Services will directly implicate the Academy and not the College.

5.2 College (Second Party)

The College shall:

- Deliver the standard B.A. academic curriculum as per university norms and statutory requirements.
- Provide reasonable infrastructure support subject to availability and internal policies.
- Designate a Programme Coordinator to interface with the Academy for timetabling, student support escalations, and monitoring of high-level service quality.
- Maintain academic neutrality in Coaching matters while retaining the right to review for reputational, safety, and compliance concerns.

5.3 Independence of B.A. Programme; Academy's Sole Responsibility for Coaching; Mandatory Student Disclosure

1. The B.A. degree programme remains the independent responsibility of the College and will be conducted with or without the Academy's participation. Student eligibility, attendance, internal assessment, examinations, and award of degree are governed solely by College/university rules.
2. The Coaching Services are designed, staffed, delivered, and quality-controlled exclusively by the Academy. The College does **not** supervise, endorse, guarantee, or assume any liability for Coaching Services or related representations/outcomes.
3. The Academy shall clearly disclose to every student in writing at the time of enrolment and in all marketing, admission, and fee-collection material that (a) the Coaching Services are provided by the Academy; (b) the College is not responsible for Coaching-quality or outcomes; and (c) student grievances relating to Coaching must be directed to the Academy.
4. Where Coaching Fees and College Tuition are collected together, the consolidated collection shall not be interpreted as creating any academic, financial, or legal responsibility on the part of the College for the Coaching Services.

5.4 Branding, Publicity & Use of Names

- The Academy may use the College name/logo solely to indicate availability of Coaching Services in the college premises to students enrolled in the College's B.A. Programme and only in materials pre-approved in writing by the College.
- Marketing phrases that imply joint academic delivery (e.g., "B.A. + Civil Services degree by College") are prohibited unless explicitly cleared in writing.
- The College may reference the availability of Academy Coaching in its outreach, provided it clearly states that Coaching is delivered by the Academy.

6. SERVICE ACCOUNTABILITY, QUALITY & GOODWILL PROTECTION

1. The Academy recognizes that poor or misleading Coaching Services can adversely affect the reputation and goodwill of the College.
2. The Academy shall implement measurable **quality benchmarks** and share quarterly reports with the College.
3. The College may forward Coaching-related complaints it receives from students to the Academy for action. The Academy shall respond within 6 working days and provide resolution within 10 working days unless mutually extended.
4. Failure to take or sustain corrective action constitutes Non-Performance under Clause 7 and may trigger suspension of new enrolments, or termination.

7. TERMINATION, SUSPENSION & COMPENSATION

7.1 Termination for Cause (Non-Performance / Reputational Risk)

The College may terminate this MOU (in whole or in relation to a particular batch) if:

- The Academy delivers persistently substandard Coaching (documented complaints, missed schedules, unqualified faculty, etc.);

- The Academy fails to cure material deficiencies within the period specified under Clause 6.4;
- The Academy engages in misleading communication that imputes College responsibility for Coaching; or
- The Academy's conduct materially harms or threatens the College's reputation.

Notice Process: Except in urgent reputational emergencies, the College will issue up to three written notices at intervals of approximately 30 days providing opportunity to cure before termination becomes effective.

7.2 Academy-Initiated Termination

The Academy may terminate by written notice (minimum 90 days) but must ensure continuity of Coaching Services to the current academic cohort through the end of the ongoing academic year or until an alternative arrangement acceptable to the College is in place.

7.3 Termination for Convenience (Mutual)

The Parties may terminate at any time by mutual written consent and shall agree on student transition, fee settlement, and communication.

7.4 Suspension-(Interim Measure)

The College may **suspend** new Coaching enrolments or marketing references pending investigation of a material complaint. Suspension does not automatically terminate the MOU but may lead to termination if issues remain unresolved.

7.5 Compensation & Student Fee Adjustments upon Termination for any cause

If termination (or suspension leading to termination) results from Academy's Non-Performance:

In the event of termination of this Agreement due to any default, negligence, or failure attributable to the Academy, it shall be the sole responsibility of the Academy to compensate or refund the students, if any compensation or fee adjustment is deemed necessary. The College shall bear no responsibility or liability whatsoever in this regard, either directly or indirectly.

8. INDEMNITY & LIMITATION OF LIABILITY

The Academy shall **indemnify, defend, and hold harmless** the College, its governing body, trustees, officers, faculty, employees, and authorized agents from and against any and all claims, demands, losses, damages, liabilities, costs, or expenses (including reasonable attorneys' fees) arising out of or related to any aspect of coaching including failure.

9. DISPUTE RESOLUTION

1. The Parties shall first attempt to resolve disputes amicably through good-faith meetings between authorized representatives.
2. Unresolved matters shall be referred to **arbitration** under the provisions of the *Arbitration and Conciliation Act, 1996* (as amended).
3. **Seat / Venue of Arbitration:** Visakhapatnam, Andhra Pradesh, India.
4. The arbitral tribunal shall consist of a sole arbitrator mutually agreed by the Parties; failing agreement, each Party shall nominate one arbitrator, and the two nominees shall appoint a presiding arbitrator.
5. The arbitral award shall be final and binding on the Parties, subject to enforcement/appeal rights available under applicable law.

10. VALIDITY, TERM & RENEWAL

1. This MOU applies to the **initial Programme cohort commencing Academic Year 2025–2026** and shall remain in force for the duration of that cohort's 3-year academic cycle unless terminated earlier.
2. The Parties may extend or renew this MOU for subsequent cohorts by executing a written renewal or amendment before commencement of the next academic year.
